This 500-lb capacity, lightweight game cart and cargo hauler easily transforms in seconds into a swiveling hunting chair with full 360° rotation. The Throne also features an integrated rubber-padded gun rest – making it ideal for every hunting enthusiast! Now, you can haul your gear into the woods efficiently and set up the perfect shot at a moment's notice with this innovative, multipurpose game cart – The Throne by Kill Shot.

- Three-in-one game cart, hunting chair, and gun shooting rest
- 500-lb capacity powder-coated steel frame
- Integrated rubber-padded gun rest
- Hunting chair features smooth 360° rotation
- Lightweight 51-lb design
- Solid rubber 25" diameter wheels withstand rough terrain
- Includes two free tie-down straps for securing cargo and game
- No tools required

The Throne by Kill Shot is an innovative multipurpose heavy-duty game cart and [cargo hauler](#) that quickly and easily converts into a versatile [hunting chair](#) with integrated [rubber-padded gun rest](#). Manufactured from durable, 500-lb capacity powder-coated steel, The Throne features two solid rubber 25" diameter wheels that withstand rough, [uneven terrain](#). To get started, load up the cargo hauler with your hunting gear and effortlessly pull it through the woods until you arrive at your preferred hunting spot. Once you're ready to set up, the cargo hauler unfolds into a hunting chair with padded gun shooting rest in less than a minute without tools. This unique product also features an [adjustable gun rest](#) and full 360° rotation. It includes two free [tie-down straps](#) for securing cargo. When the day is done, simply convert The Throne back into a game cart and easily haul your gear and game back to your vehicle or camp. No more struggling to find a hunting spot your car or truck can access, hanging tree stands days in advance, or hurting your back trying to carry everything through the woods – The Throne by Kill Shot (U.S. Patent No. 9,162,692).
